MEMORANDUM

To: All Residents
From: Terri F. May, AMS® -- ASSOCIATION MANAGER
Subj: **TEMPORARY VAN SCHEDULE**
Date: June 23, 2020

On Friday, June 26, Delaware County will be entering the green phase, which means less restrictions for work and other such things. This also means that the entire staff will be back, onsite, starting June 29. The van will also begin to operate daily, but with a modified schedule for immediate future. We will assess the schedule as things change and residents being returning to work and require use of the van to get to the train station.

Beginning Monday, June 29, the van will operate daily for routine shopping trips. We will not do the special, monthly shopping trips until later this summer or early fall depending on how everything is going with restrictions and the corona virus.

On **Mondays, Wednesdays and Fridays**, the van will go out at **9 am** to a local grocery store or drugstore. On **Tuesdays and Thursdays**, the van will go out at **NOON** to a local grocery store or drugstore. **ALL** trips will leave from the *Princeton lobby* and are subject to availability of seats on the van. We are continuing to reduce the capacity of passengers on the van to 4, plus the driver. *Face masks are required to ride the van.*

Thank you in advance for your prompt attention to this request. Any questions, please contact the Management Office at 610-544-6000.
