### **MEMORANDUM**

To: All Residents  
From: Terri F. May, AMS® -- ASSOCIATION MANAGER  
Subj: **UPDATED MASK POLICY EFFECTIVE AUGUST 12**  
Date: August 11, 2021

---

The Association has attempted to stay ahead of the pandemic since it first started in March 2020. We have enacted policies and guidelines based on the most up to date information available to us. We are thankful that these policies and the adherence to them by our residents and staff, have largely protected our small community.

It is unfortunate that we again find ourselves in a place and time that we again must reinstate a **REQUIRED** mask policy for *ALL residents, visitors, delivery people and contractors when in the indoor common areas* regardless of vaccination status. This includes hallways, elevators, mailrooms, and the meeting room etc.

This policy is once again being enacted as the region, including Swarthmore, has reached a higher risk level of transmission due to the Delta variant and we need to do what we can to protect one another, especially our many residents that are immunocompromised, as well as children who are not yet eligible to get vaccinated.

**BEGINNING THURSDAY, AUGUST 12, 2021, MASKS ARE AGAIN REQUIRED FOR ALL INDIVIDUALS IN THE INDOOR COMMON AREAS.**

We thank you for your continued support in these matters to help make as safe an environment as we can for our residents, staff, and visitors.
