## Memo:

**To:** ALL RESIDENTS  
**From:** The Management Office  
**Date:** September 9, 2021  
**Subject:** WATER CONSERVATION

---

Aqua Pennsylvania is continuing to ask everyone to conserve water as it addresses the damage done by Hurricane Ida. It is suggested that you take shorter showers, shut off faucets when brushing your teeth and shaving and minimize the use of washers and dish washers.

Every little bit helps as Aqua continues recovery efforts from the storm. We appreciate your cooperation in helping to ensure an adequate water supply and we will provide updates as they are available.
