Memo:

To: All Residents
From: The Management Office
Date: January 26, 2022
Subject: **POSSIBLE WEEKEND SNOW STORM**

With the current forecast of possible heavy snow this weekend, we strongly recommend that residents take down or remove items from the patios/balconies so they do not blow away/off. Please make sure your windows are properly closed and latched.

In the event of a power outage, please keep flashlights handy and your phones fully charged.

When it is time to clear your vehicle, please remember not to throw the snow back into the cleared lot.

We thank you in advance for your prompt attention to these requests.
