MEMORANDUM

To: All Residents
From: Terri F. May, AMS® -- ASSOCIATION MANAGER
Subj: **NEW RAILING INSTALLATION @ HARVARD & YALE**
Date: March 14, 2022

With the weather cooperating, Baille Fabricating can now install the long-awaited new railings at the *pool area, outside fire tower A (Harvard building) and the steps leading to carports 47-58 in the upper Yale parking lot (near the trash dumpsters in the Harvard parking lot).*

We are excited to finally get this project completed! The work is expected to take *two (2) days* to complete. *It will start at 8 am on **Tuesday, March 15** and schedule permitting, be completed by close of business on **Wednesday, March 16.*** There will be noise and general construction work associated with the installation of the new railings.

We ask that you avoid the areas where the construction is taking place, for your safety and that of the construction crew.

Any questions, please do not hesitate to contact the Management Office at 610-544-6000
