MEMORANDUM

To: Residents of the 29 & 30 risers
From: Terri F. May, AMS® -- ASSOCIATION MANAGER
Subj: **LOUD NOISES/WASHING MACHINE & DRYER USAGE**
Date: May 18, 2023

Recently it has come to the attention of the Management Office that a resident or residents are doing laundry in the middle of the night/early morning hours. The noise associated with the use of these machines, **after 10 pm or before 8:30 am**, is very disturbing to your neighbors, causing disruption to their sleep, which affects their health.

We ask that all residents be considerate of their neighbors and abide by the rules and regulations established for the benefit of everyone.

The rules cover this issue:

4.0 INDIVIDUAL UNITS

This section covers noise, quality of life issues, safety, repairs and alterations, and other items pertinent to individual units. These rules ensure the general welfare, mutual benefit, comfort, and security of all residents.

Quiet hours in our condo are between 10 PM and 8:30 AM

4.1 ACTIVITIES WITHIN A UNIT

- (a) Within a unit, residents must not make, or permit to be made, any disturbing noises that will interfere with the health, comfort, or safety of other residents.

We appreciate your consideration and support in this matter. Thank you.

Any questions, please do not hesitate to contact the Management Office at 610-544-6000
