From: Terri F. May, AMS® -- ASSOCIATION MANAGER
Subj: **PROJECT UPDATE (RENO) – FLOORS 12 to LOBBY – WEEK 31**
Date: May 12, 2023

Drum light installation is on hold until the manufacturer corrects some issues.

Please note that various contractors continue to work on multiple floors, so please exercise caution in a work area. Signs are posted throughout the construction zones. While the flooring is being installed in your area, **you will not be able to enter that area, as there will be glue on the concrete to secure the flooring.** Once the flooring is installed, you will be able to enter the area.

WEEKS OF MAY 15 THROUGH MAY 29

Unit door hardware, including the doorbell is also the unit owner's responsibility.** Neither the Association nor the contractors **WILL** remove the hardware in advance of the door painting. **Please make sure we have a key to your unit for when the door is painted. It is possible we will be charged a fee to come back and paint the door.**

Thanks for your continued support and understanding on this very long project.
