

SPECIAL VAN TRIP SPONSORED BY THE OUTDOOR COMMITTEE TO MOSTARDI NURSERY ON MAY 15

Members of the Outdoor Committee continue to volunteer their time and efforts for the benefit of the Association. This time, they are volunteering to help individual residents with selecting the perfect plants for their balcony/patio by sponsoring a trip to Mostardi Nursery in Newtown Square!

The van will leave the **Princeton lobby** at **9 am on Wednesday, May 15** and head to the nursery with some members of the committee tagging along to assist any resident that is taking the van trip in making their selection for their specific balcony. Not sure what plants/flowers will work best on your balcony? What not ask the take the trip and have the members help you select just the right ones to brighten up your outdoor space? Please make sure you sign up with the Management Office to reserve your seat on the van for this *first ever trip!*

Here is picture some of their handy work for the pots at the pool.
